

Amit Singhi

CHIEF OPERATING & FINANCIAL OFFICER

Amit Singhi is the Chief Operating & Financial Officer of the Piston Group, with responsibility for operating and financial matters at all of the Piston Group's four companies.

Amit most recently was the Chief Financial Officer at FLIR Systems, leading all Finance and I.T. functions from 2015 to 2017. FLIR Systems is a \$4.5 Billion mid-cap technology public company, a component of the S&P 500 index that designs, develops, manufactures, markets, and distributes sensor systems that enhance perception and awareness.

Prior to joining FLIR, Mr. Singhi was an employee of Ford Motor Company from 1994 to 2015. During his tenure at Ford, he held financial management positions of increasing responsibility in a wide range of operating areas, including new product development, engineering, purchasing, supply chain, manufacturing, marketing, sales & service, and corporate affairs. Mr. Singhi was the Chief Financial Officer of Ford South America, based in Sao Paulo, Brazil, from 2012 to 2015. Prior to joining Ford, Mr. Singhi was an

engineer at General Motors R&D Center from 1989 to 1994, where he held several engineering & operational roles involved with development of advanced navigation systems, product planning, and manufacturing consulting.

He holds an MBA in Finance and Corporate Strategy and an MS in Electrical Engineering Systems from the University of Michigan, Ann Arbor, and a Bachelors of Technology in Electrical Engineering from the Indian Institute of Technology, Bombay.
