

Joe Finn

PRESIDENT & CEO | IRVIN PRODUCTS

Joe Finn has a proven executive management track record with over 30 years' experience driving value creation and revenue growth.

As president and chief executive officer of Irvin Products, Joseph (Joe) Finn is responsible for leading all facets of the global enterprise.

In 2016 Joe led Irvin Products through their strategic separation from Takata Holdings and subsequent acquisition by the Piston Group.

Under Joe's leadership, Irvin is focused on enhancing the vehicle experience by delivering finely tailored products with the craftsmanship and harmony that end users feel, starting in the showroom and ultimately throughout their daily journey.

Joe started his career at Irvin Products in 1985 as a co-op student in the mechanical engineering department. Throughout his tenure, he has served in leadership roles in Operations, Product

Engineering, Manufacturing Engineering, Purchasing and Quality. Joe has been instrumental in the successful execution of critical launches and has personally developed many members of his senior leadership team. He is highly regarded as an effective and respected leader within the company and the industry.

Joe holds a Bachelor of Science degree in Mechanical Engineering from GMI Engineering & Management Institute (Kettering University) and an MBA from Oakland University.

The Irvin logo features the word "Irvin" in a bold, blue, sans-serif font. A red horizontal bar is positioned above the letter "i".
