

Justin Szerlong

PRESIDENT | A LAVA

Justin Szerlong is a seasoned professional with over two decades of experience in manufacturing, having held roles in finance, quality, sales, procurement, continuous improvement, and business management.

Justin Szerlong is a seasoned professional with over two decades of experience in manufacturing, having held roles in finance, quality, sales, procurement, continuous improvement, and business management. He has a strong background in organizational leadership and a proven track record of success of delivering positive results for customers, employees, and organizations.

Throughout his career, Justin has developed and implemented strategies to optimize cost structures, improve operational efficiency, and drive profitable growth. Additionally, he has a keen eye for identifying areas in need of improvement within organizations.

Justin is a talented leader, who mentors and motivates teams to achieve common goals, and has a proven track record of managing cross-functional projects to successful completion. He is highly regarded by his peers and superiors for his ability to effectively communicate complex concepts

and ideas to both technical and non-technical audiences.

In addition to his professional accomplishments, Justin is deeply committed to giving back to the community. He volunteers his time and resources to various non-profit organizations and is dedicated to making a positive impact in the lives of those around him.

Justin holds a Bachelor of Science degree in Accounting with a minor in Economics from the University of Colorado Boulder and a Master of Business Administration from the University of Michigan.
